

# Draft Meeting Summary Notes

Stelco – Hamilton Works Community Liaison Committee (CLC)

21 June 2017, 5:00 p.m., Hamilton Waterfront Trust

---

## **CLC Members In Attendance:**

Marilyn Baxter, Jochen Bezner, Peter Ipema, Lynda Lukasik, Julie Vanden Byllaardt (substitute for Kristin O'Connor), Paul Widmeyer

## **Other Attendees:**

Katie Chan (Stelco)  
Cater Dumont (Stelco)  
Peter Schiestel (Stelco)  
Kat Bezner (observer - community member)  
Liz Tobin (observer – community member)

## **Welcome and Safety Contact**

The safety evacuation procedure was reviewed for all in attendance in case of an emergency.

## **Review and Approval of Agenda**

The committee accepted them as presented.

## **Review and Approval of Minutes of 25 January 2017 Meeting**

Minutes from the 25 January 2017 meeting will be reviewed and were accepted as presented.

## **CCAA Restructuring Update**

Trevor provided an update on the CCAA restructuring process. On June 9, 2017, the Court approved Stelco's proposed Plan of Arrangement. The target for completion of the transaction is June 30, 2017. Upon emergence, the company name will formally change to Stelco Inc. under the ownership of Bedrock Industries. New 5-year collective agreements will take also effect for our unionized employees.

## **Wastewater Treatment Plant at Hamilton Works**

Carter provided an overview of the wastewater treatment plant at Hamilton Works' By-Products Plant.

## **Performance under O.Reg. 419/05 Site Specific Standard Order - Particulates**

Katie provided a summary of the performance of the Hamilton Works coke battery operations under the Site-Specific Standard Order for particulates. Paul provided a verbal summary of the Ministry of Environment and Climate Change's comments regarding the coke battery operations.

## **Community Concerns**

No additional concerns were raised at this time.

## **Adjournment**

*The next committee meeting will take place in September. Meeting details, including exact date will be finalized in consultation with the Ministry of Environment and Climate Change. Stelco will provide details to CLC members over the summer.*
