CLC Members In Attendance:

Bill Lindsay, Elliot Wilkinson, Lidy Romanuk, Ross Carson, Wayne Nyomtato, Sean McNamara

Other Attendees:

Adrienne Clark (Ministry of the Environment and Climate Change)

Paul Widmeyer (Ministry of the Environment and Climate Change)

Trevor Harris (Stelco)

Andy Sebestyen (Stelco)

Welcome and Safety Contact

The safety evacuation procedure was reviewed for all in attendance in case of an emergency.

Review and Approval of Agenda

The committee accepted them as presented.

Review and Approval of Minutes of 21 June 2017

Minutes from the 28 September 2017 meeting were reviewed and accepted as presented.

Performance under O.Reg. 419/05 Site Specific Standard Order - Particulates

Andy provided a summary of the performance of the Lake Erie Works coke battery operations under the Site-Specific Standard Order for particulates from Sept 2017 – Jan 2018. Review of community complaints (0) regarding our coke battery operation. Adrienne Clark provided a verbal summary of the Ministry of Environment and Climate Change's comments regarding the coke battery operations.

ISO 14001 Environmental Management System

Sean provided a brief update on Lake Erie Works' external under the new ISO 14001 standard, including our two minor findings, and our continued work to improve our environmental performance. Andy explained the corrective action system.

GHG Reduction Initiative – Pond Technologies

Andy explained the partnership between Stelco and Pond Technologies. The project is now in the second phase of development, a full scale algae cultivation system will be constructed on-site. The project will investigate the many possible uses of the algae varieties.

Community Concerns

Concern was brought up regarding the conveyor dock possibly being covered from the sides due to dust blow-off. Shipments to the United States and NAFTA agreements were discussed as to how they may impact our business. Trevor discussed the recent IPO and possible investment opportunities from our ownership group.

Meeting Minutes
