CLC Members In Attendance:

Caroline Burrage, Bucky Erwin, Bill Lindsay, Scott Milne, Wayne Nyomtato, Lidy Romanuk, Paul Widmeyer

Other Attendees:

Mike Blake (Stelco)

Adrienne Clark (Ministry of the Environment and Climate Change)

Katie Chan (Stelco)

Trevor Harris (Stelco)

Garret Urie (Stelco)

Welcome and Safety Contact

The safety evacuation procedure was reviewed for all in attendance in case of an emergency.

Review and Approval of Agenda

The committee accepted them as presented.

Review and Approval of Minutes of 26 January 2017

Minutes from the 26 January 2017 meeting will be reviewed and were accepted as presented.

CCAA Restructuring Update

Trevor provided an update on the CCAA restructuring process. On June 9, 2017, the Court approved Stelco's proposed Plan of Arrangement. The target for completion of the transaction is June 30, 2017. Upon emergence, the company name will formally change to Stelco Inc. under the ownership of Bedrock Industries. New 5-year collective agreements will take also effect for our unionized employees.

Performance under O.Reg. 419/05 Site Specific Standard Order - Particulates

Katie provided a summary of the performance of the Lake Erie Works coke battery operations under the Site-Specific Standard Order for particulates from Jan – May 2017. Adrienne Clark provided a verbal summary of the Ministry of Environment and Climate Change's comments regarding the coke battery operations.

ISO 14001 Environmental Management System Update

Scott provided a brief update on Lake Erie Works' achievement of certification under the new ISO 14001 standard.

Water Treatment at Lake Erie Works

Garret provided an overview of water treatment at Lake Erie Works. This presentation included a video of the extensive water treatment systems in place across the facility.

Community Concerns

No concerns were raised at this time.

Adjournment

The next committee meeting will take place in September. Meeting details, including exact date will be finalized in consultation with the Ministry of Environment and Climate Change. Stelco will provide details to CLC members over the summer.
