Other Attendees:

Katie Chan (Stelco)

Adrienne Clark (Ministry of Environment, Conservation and Parks)

Erica McKenzie (Environment Hamilton)

Pete Schiestel (Stelco)

Welcome and Safety Contact

The safety evacuation procedure was reviewed for all in attendance in case of an emergency.

Review and Approval of Agenda

The committee accepted them as presented.

Review and Approval of Minutes of 06 October 2016

Minutes from the October 17, 2018 meeting will be reviewed and were accepted as presented.

Performance under O.Reg. 419/05 Site Specific Standard Order - Particulates

Katie provided a summary of the performance of the Hamilton Works coke battery operations in the fourth quarter of 2018 under the Site-Specific Standard Order for particulates.

Supplementary updates were provided for the first two months of 2019. The Ministry of Environment, Conservation and Parks had no additional comments.

Cokemaking Update

Peter Schiestel (Division Manager – Coke Producing) presented an overview of the management practices conducted at Hamilton Works to control fugitive dust in the winter time, including at the coal fields and in-plant roads.

Community Concerns

No concerns were raised at this time.
