Re: STATEMENT ON COBALT

To whom it may concern,

The products produced by Stelco Inc. (Stelco) do not contain any cobalt sourced from a Conflict-Affected and High-Risk Area.

We will continue to monitor our supply chain to ascertain the origin of materials used by Stelco in manufacturing its products that could originate from Conflict Minerals.

The information in this letter is provided for the general information of customers and does not imply any warranty. The interpretation and/or use of this information is the sole responsibility of the user. This information is provided to you on the following conditions: (1) Stelco makes no representations or warranties as to any tests used in preparing this letter or as to the correctness of its contents; (2) Stelco shall not be liable to you or any other person for the performance, suitability or fitness for any purpose of any material or item tested or investigated in the preparation of this letter, whether such liability is asserted on the basis of express or implied representations, warranties or conditions, in contract or tort, by statute or common law, or on any other basis; and (3) you agree to hold Stelco harmless against all liability that may be imposed on it in connection with this letter, the manufacture of any item in reliance on it, the use of any item so manufactured or the breach of any of these conditions.
