- No operational adjustments required

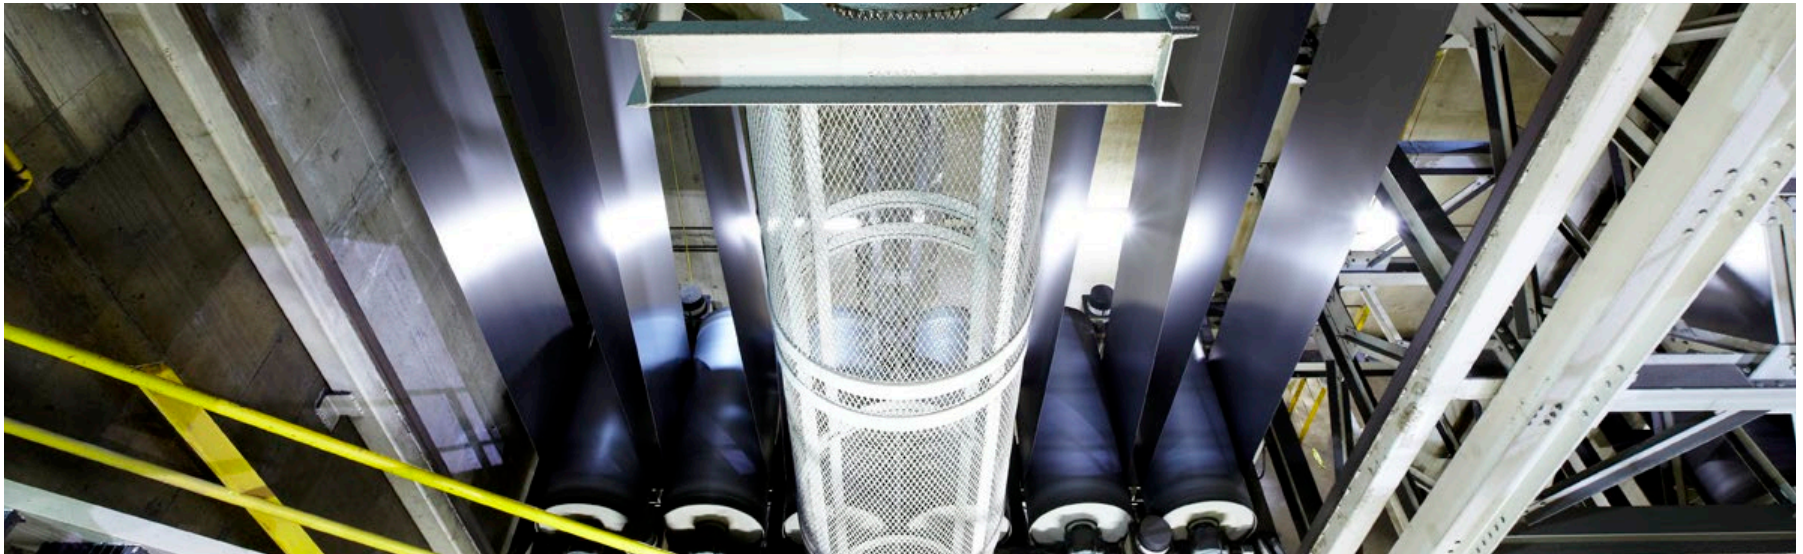

Community Feedback

- No complaints attributable to Stelco's operations were received in Q4, however the following general complaints were investigated:
 - Nov 9, 2022: enquiry to Stelco & ArcelorMittal Dofasco of odour in middle of the night
 - No unusual activities identified at facility;
 - Predominant winds were not consistently from Stelco Hamilton Works direction
 - Dec 29, 2022: enquiry received from MECP regarding operations during Dec. 24 and 25 due to high wind conditions; potential feedback received; also contacted AMD
 - No unusual activities identified at facility;
 - Stelco had not received any communication regarding issues from operations or community
 - No exceedances were recorded at Hamilton Air Monitoring Network station in the are of interest
- MECP invited to provide verbal comments
