Welcome

Review and Approval of Agenda

The committee accepted them as presented. The committee also accepted the draft meeting notes of the previous meeting.

Coke Battery Performance

Katie provided a summary of the performance of the Hamilton Works coke battery operations for Q1 2024 based on the Method 303 environmental audits conducted on a regular basis. Coke battery audit results demonstrated compliance with all 2024 limits.

Tyler Kelly of the Ministry of Environment, Conservation and Parks (MECP) commented there were no issues with Stelco's Q1 performance. Tyler also thanked Stelco Hamilton Works, for hosting a Method 303 certification course to which MECP staff attended.

Community Comments

There were no community comments/feedback.

Water Discharge Permit Amendment

Julie provided a summary of an Environmental Compliance Approval (ECA) amendment that the facility will be submitting to MECP to facilitate discharge of stormwater from the installation of a new private fuel outlet.
