Welcome

Review and Approval of Agenda

The committee accepted them as presented. The committee also accepted the draft meeting notes of the previous meeting.

Coke Battery Performance

Katie provided a summary of the performance of the Hamilton Works coke battery operations for Q3 2024 based on the Method 303 environmental audits conducted on a regular basis. Coke battery audit results demonstrated compliance with all 2024 limits.

Stephen Burt of the Ministry of Environment, Conservation and Parks (MECP) commented there were no issues with Stelco's Q3 performance.

Community Comments

Community inquired about the Cleveland-Cliffs acquisition to which Stelco commented that the sale had cleared through both the US and Canadian anti-trust processes and was expected to close sometime in Q4.

Adjournment

The next meeting is scheduled for January 15, 2025.
